“For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.”
Jeremiah 29:11 (NIV)

All of us want to make wise investments in our churches, communities and country. We are constantly seeking to commit our time talent and treasure into something that will offer a profitable return or enhance the chances of a bright future and hope.

The Tenth Episcopal District of the African Methodist Episcopal Church wants to invest in the future of our local congregations, Paul Quinn College and students pursuing theological training. This is going to be done through TenthFuture, Inc. a new 501c3 non-profit corporation that will seek to raise resources outside of tithes and offering through an annual golf tournament and concert along with business and corporate sponsorships.

Grant applications are now available for 2016 granting period. Local churches or organizations of the 10th District may apply for grants up to \$3,000 for projects that enhance the ministry of the local congregation or organization, property improvement, outreach ministry or general support. Students pursuing theological training may apply for grants up to \$1,000.

The total amount available each year will be dependent upon revenue generated from TenthFuture, Inc. sponsored events and the Board of Directors.

Grant applications this year is due June 1, 2016. All applications must be post marked, emailed or faxed stamped by the due date or they will be disqualified. The Grant Review Committee will consider each grant submitted. Grant awards will take place at the close of each annual conference.
